SPRINGER
Expert Draymen**ALBUQUERQUE IS GREEN FIELD FOR CHECK PASSERS**

Worthless Paper Cashed Here in Last Five Years, in Police Possession, Totals More Than \$3,000.

Check passers found a moderate green field in Albuquerque in the last five years. Passers off were not as evident before then. The police have the record for the five-year period in the shape of a roll of worthless paper that was quite strong.

In five years \$10,000 was collected in coins and cash on checks. That is the total of the checks in the possession of the police. These do not represent absolute loss. Some of the coins and cash are recovered by the police. Perhaps they recovered the greater part. Just how much they did save in legal checks was not known.

WOUNDED INSPECTOR IS PAST THE DANGER OF PNEUMONIA NOW

Williams, county inspector, crippled by the early sanitary board, has passed two dangers on the way toward recovery. Dr. E. L. Hunt, attending physician, said yesterday that the danger of pneumonia resulting from the wound through twelve right ribs was past. There has been no danger from hemoptysis since shortly after he received the wound.

The ankle, which can prevent the recovery of Owens now is infected. The development of infection is impossible, Dr. Hunt does not regard it as likely since there are no symptoms of that as yet. Three or four days will remedy that threat.

Owens was shot like Monday morning in a battle with Joaquin Valles, accused of cattle stealing in Abiquiu, the route of the Santa Fe cut-off through the Mimbres mountains.

JUDGE DOES POLICE WORK, CITING YOUNG WOMAN TO APPEAR

Judge W. W. McClellan yesterday afternoon made use of the police power given justices of the peace by citing a young woman to appear before himself as city magistrate this morning, charged with reckless driving. The young woman is Miss Johnnie Archibald. She was driving an automobile which ran into a pole in front of the V. M. C. Building. The police justice saw the accident.

NIGHT HORSE SHOW TO BE FEATURE OF FAIR

It is of particular interest as a feature of the fair that will be held before the grand stand, preceding the evening program of fireworks. This show will be held on the race track, which will be illuminated brilliantly for the occasion.

Supt. A. J. Martin announces that the fair will include a number of entries in the night horse show, which will be held before the grand stand, preceding the evening program of fireworks. This show will be held on the race track, which will be illuminated brilliantly for the occasion.

COULD NOT DO HER COOKING
Mrs. J. E. Hartmeyer, Tea, etc., who was ill, was affected with kidney trouble for two weeks and during the summer I could hardly go any cooking. I got Feder Kidney Pills and they helped me. I feel like a new person. Too many women neglect symptoms of kidney derangement. When the kidneys are not properly doing their work poisons left in the system cause weak back, dimness, puffiness under eyes, swollen ankles, sciatica and rheumatism. Sold everywhere.

Several hundred entries are to be made to the horse department, one of them a affair dominated by the New Mexico horses and others from all over the state. This would be the best show on the fair grounds.

INDIAN FAIR TO OPEN TODAY AT LAGUNA PUEBLO

Red Men of Agency Will Display Farm Products and Stock; Special Prize Offered for Best Baby.

The Laguna Indians' first fair will open today at the pueblo. It will run two days, closing tomorrow night. Only Indians are eligible to compete for premiums at this fair. Regularly enrolled Indians of the Pueblo agency only are eligible to make entry exhibits. All exhibits must have been produced on the Pueblo agency or Indian homesteads or allotments.

Attendance, however, will not be restricted to the red men. "This fair is for educational purposes only," says the catalogues, and all persons interested in the development of the Pueblo Indians are requested to assist in making it a success.

Premises are to be awarded for various cattle shows, sheep, poultry, grains and vegetables, arts and domestic science exhibits, educational exhibits, native arts exhibits. Four special prizes also are to be given. One of the special prizes is for the best baby under 2 years of age. The prize is \$5. The baby show is to be held in connection with the child welfare exhibit.

INDIAN SPORTS ON PROGRAM

The two special prizes are a two-meter and a McCormick race. The best and most comprehensive display will win the mow and the second best will take the race. The display must include at least two kinds of stock, grains, fruits and vegetables raised by the exhibitor. The rest must be owned by the exhibitor but need not have been raised by him.

A program of sports has been prepared for the fair. Pony races, foot races and other Indian races and games are to be held.

SEPTEMBER TERM OF DISTRICT COURT WILL BEGIN TODAY

Jurors will report at the district court at 9 o'clock this morning for the opening of the September term. The first day's work for the petit jury, held out by Judge Herbert Farnsworth, is the trial of four short cases.

The grand jury may be delayed for a short time in beginning the work owing to the fact that only twenty-nine men have been summoned for service on it. Twenty-one is just enough, but one or two may have sufficiently strong reasons for not serving. That would necessitate calling a special venire.

The five cases set for trial today are: Long-Otero Co. vs. David Sorrells; E. T. Chase vs. Leopoldo Mason, Weinman v. Lewinson vs. H. W. Thirkett; Suburban Realty Co. vs. Louis Romers, Sheriff D. K. B. Soldiers vs. P. H. Leakey. Judge Farnsworth intends to dispose of naturalization matters this afternoon.

The case of Thelma M. Morris, administrator of the estate of Owen Morris, against the city of Albuquerque, set for tomorrow, Morris' trial for larceny for the death of his son, Owen, who was killed by a fire engine last May.

Owens was shot like Monday morning in a battle with Joaquin Valles, accused of cattle stealing in Abiquiu, the route of the Santa Fe cut-off through the Mimbres mountains.

BENSON FINDS 'JOKER' IN THE NEW ARMY BILL

BY MORNING JOURNAL SPECIAL LEASED WIRE
Shafton, Ill., Sept. 17.—That a clause giving the president of the United States power to draft citizens into the army in time of war was "smuggled" into the House Chamberlain army bill was charged yesterday by Allen Benson, socialist candidate for president, in an address here today. Benson criticized what he termed the militarism of the United States.

The word "draft" was "smuggled" into the bill, said Benson. "The bill as it passed the house of representatives had no draft power, but the president should have power to 'call' citizens into the army." The word "draft" was inserted in the conference committee.

'LID' ORDINANCE TO COME BEFORE COUNCIL TONIGHT

Committee Directed at Last Meeting to Make Report on Measure Night of September 18.

The Sunday "lid" question will come before the council tonight. The ordinance committee is expected to report upon the measure, requiring loans to close from 12 to 5 p.m. Saturday night until 12 at 11 p.m. Monday morning. The council instructed the committee at the time the ordinance was referred to it to make its report tonight.

The ordinance will give the police authority to prosecute violators in the police court. The resolution, admitted in the council early in the summer, did not give the police this power, of course. The resolution had the effect, however, of keeping doors closed tightly for several days. Then the police opened a side door with setting wine. He could not be taken before the city court under the resolution. This action resulted in the passing of the ordinance.

A clause for the worse was announced last night and it was then said the point probably could not be raised.

Mr. Low's most recent activities

were exerted in an effort to find a solution of the differences between the railroad brotherhoods and the railroads.

Since the outbreak of the European war Mr. Low had been representing as president of the New York Chamber of commerce and president of the National Civic Federation. He was chairman of the executive committee of Tuskegee Institute delegates to the recent New York state constitutional convention and a member of a government commission appointed to investigate labor troubles in Colorado.

Active in Wage Matters.
For three months prior to his illness, he devoted himself almost exclusively to trying to find a solution to the differences between the railroad brotherhoods and their employers.

Even after he was stricken, he kept in touch with the leadership heads, Samuel Gompers, president of the American Federation of Labor, and other union leaders, with whom he was on terms of intimate friendship. With his illness, however, an acute stage several weeks ago, Mr. Low confined himself with plans of the National Civic Federation, in which he was deeply interested.

Mrs. Low, his wife, is a member of the New York Civic Federation. She is the widow of George Farnham, who died a few days ago. Mrs. Low and her husband were well known when the old "Stragglers" for the Ford Days had been captured.

A leading figure.

Stetl Low was a well-known attorney of New York and for eleven years was president of Columbia University. In view of these offices he became distinguished for public service and he was known throughout the country as one of the leading figures in New York City life.

All arrangements for political conferences here are being held in absence during the president's absence.

Accompanied by Dr. Cary T. Grayson, the White House physician, Mr. and Mrs. Wilson went by automobile this afternoon from Long Branch to Trenton, N. J., to meet other relatives of Mrs. Low, who are taking the body to Columbia.

The president will leave Long Branch at 6:15 p.m. tomorrow.

FUNERAL TRAIN PASSES CAPITAL AT 9:30 A.M.

Washington, Sept. 17.—The funeral train with President Wilson on board passed through Washington at 9:30 tonight. A crew of a few minutes was made up of members of the funeral party left the train.
